EXAMPLE PROJECT GRANTS REPORT

A template with questions similar to this will be provided to Grant Awardees. This document is provided for example purposes only to show what the final Project Grant Report might look like.

Name:

School where project took place:

Project name:

What grade levels were involved?

How much grant money did you spend?

What exactly did you use grant funds for?

Would you have been able to complete this project without these funds?

What impact did this project have on your students?

Did this project meet your expectations of successful outcomes? Why or why not?

When did the project take place?

Will future students benefit from these efforts? If so, how?

Do you have any feedback to share about the Buckeye Foundation Project Grant process?
