

Buckeye Education Foundation

Annual Back-to-School Fundraiser

2023 – 2024 School Year

Welcome back to school, Buckeye! If you are new to the Buckeye Union School District, welcome to one of the best school districts in the state! One big reason Buckeye schools are so strong is **because of you**, our incredible community of supportive and engaged families. Thank you for your **ongoing support** of the Buckeye Education Foundation! The Buckeye Foundation is **YOUR non-profit**, a 100% parent volunteer-run fundraising organization that has been contributing to the success of Buckeye schools for over a decade. We offer support that's separate from and complements the valuable support provided by our school PTAs and PTOs, because we can provide support that our schools can receive only at the district level. Over the years, we have stepped up to save programs in jeopardy and to fund supplemental programs above and beyond what our exceptional schools already offer. In addition to grant support, we also host fun, free community building events for students, in partnership with local sponsors, to strengthen and enrich our wonderful Buckeye community. Remember, this is the one and only time each year we ask you, our Buckeye families, for donations. **We thank you for your continued, generous support! We are Buckeye!**

This year we are again asking for your donation of \$250 per student, to make the **most meaningful impact** in Buckeye schools, though smaller and larger donations are gratefully welcome!

Please fill out this form and return it to your teacher or school office.

OR complete the form online at: www.buckeyefoundation.org/giving

The class with the most returned forms at each school by **August 31st** will receive a fun class **prize** (🇺🇸🍩🍪 teacher's choice!), with or without a donation, though donations are welcome year-round!
