

Buckeye Education Foundation

Annual Back-to-School Fundraiser

2024 – 2025 School Year

Welcome back to school, Buckeye! If you are new to the Buckeye Union School District, welcome to one of the best school districts in the state! One big reason Buckeye schools are so strong is *because of you*, our incredible community of supportive and engaged families. Thank you for your **ongoing support** of the Buckeye Education Foundation! The Buckeye Foundation is **YOUR non-profit**, a 100% parent volunteer-run fundraising organization that has been contributing to the success of Buckeye schools for over a decade. We offer support that is separate from and complements the valuable support provided by our school PTAs, PTOs, and PTCs, because we can provide support that our schools can receive only at the district level. Over the years, we have been able to save programs in jeopardy and to fund supplemental programs above and beyond what our exceptional schools already offer. In addition, we provide grants to teachers and staff for special projects, and also host fun, free, community-building events for students, which strengthen and enrich our wonderful Buckeye community. Remember, this is the one and only time each year we ask you, our Buckeye families, for donations. **We thank you for your continued, generous support! We are Buckeye!**

*This year we again ask for your donation of **\$250 per student**, to make the **most meaningful impact** in Buckeye schools. Larger and smaller donations are also gratefully welcome!*
