

Buckeye Education Foundation
2021 – 2022 Annual Back-to-School Campaign
Let's Make Buckeye Schools Even Stronger!

Welcome back to school, Buckeye! For those new to the Buckeye Union School District, welcome to one of the best school districts in the state! One of the reasons our Buckeye schools are so strong is because of **you!** - our incredible parent community. The Buckeye Education Foundation is a 100% parent volunteer-run non-profit that has been contributing to the success of Buckeye schools for over a decade. We offer support that is separate from and complements the valuable support provided by our school PTAs and PTOs, because we can provide support that schools can only receive at the district level. Over the years, we have stepped up to save programs in jeopardy and to fund supplemental programs above and beyond what our exceptional schools already offer. In addition to grant support, we also host no-cost community building events for students, in partnership with local co-sponsors, to strengthen and enrich our wonderful Buckeye community.

*This year we are again reaching for the goal of a **\$250 donation per student**, to make the **most meaningful impact** in Buckeye schools, though smaller and larger donations are gratefully welcome!*

Together we can accomplish a lot! Thank you for your generous support!

Please fill out this form and return it to your teacher or school office, or return by mail.

OR complete the form online at: www.buckeyefoundation.org/giving

The class with the highest percentage of returned forms at each school by **August 31st** will receive a fun class **prize** (teacher's choice!), no donation necessary, though donations are welcome year-round!
