

Buckeye Education Foundation

Annual Back-to-School Survey & Fundraiser

2026 – 2027 School Year

The **Buckeye Education Foundation** is an independent, non-profit organization that supports quality educational programs in the arts and other areas for each child in the Buckeye Union School District. We:

- have supported **district-wide educational programs** and instruction support, including funding for library staff and PE teachers, teacher training, a drama program, and Wi-Fi and tech support,
- provide **grants to teachers and staff** for special projects,
- host fun, free, **community building events** for students such as the art and poetry showcases, and
- offer **district-level support** for schools that is separate from support from school PTAs, PTOs, and PTCs.

Let us know what areas you would like us to support in the future by filling out our survey below.

The class with the most responses, with or without a donation, at each school by **August 31st** will receive a fun class **prize** (🇺🇸 🍕 🍌 teacher's choice!)!

*We are asking for a donation of **\$250 per student** to make the ***most meaningful impact*** in Buckeye schools, **though smaller and larger donations are gratefully welcome!***

This is the one and only time each year we ask you for donations!
